Appointments are not required but are strongly **recommended**.
We will provide 20-30 minute consultations on a **first-come, first-served**
basis. The last consultations may begin at 8:00 pm.

There is no cost for these services, but we do ask that you “**Pay It Forward**” – in return for these services that you receive give something of your time, talents, or treasures to someone else in need.

Please contact our office (information at the top of the page) if you have any questions and especially if you would like to sign up for a time-specific appointment.

NOTE: Applicants will not qualify for services, unless extenuating circumstances, if their household income is above 200% of the federal poverty guidelines. For example, the cutoff for a family of 4 is \$49,200 in yearly household income.
